ABOUT ME

Computer Science undergraduate with hands-on experience in Java, Spring Boot, and full-stack web development. Skilled in building secure, scalable, and database-driven applications with real-world project experience in authentication, payment integration, and role-based systems. Seeking an entry-level Software Developer role to contribute to impactful products.

EDUCATION

2023-2026	Bachelor of Science (Computer Science)
Completed(Result Awaited)	Ramakrishna Mission Vivekananda College
2021 - 2023	HSC
	Kannada Sangha Higher Secondary School
2016 - 2021	SSLC
	Kannada Sangha Higher Secondary School

PROJECTS

COLLEGE PORTAL

- Built a role-based web application using Servlets, JSP, JDBC, and MySQL
- Implemented session-based authentication and authorization
- Designed optimized CRUD operations improving data handling efficiency
- Improved data consistency using relational database design

GitHub Link : <https://github.com/ImGowtham1205/College.git>

NOTES APPLICATION

- Developed a secure notes management system using Spring Boot and MySQL
- Implemented JWT authentication
- Encrypted passwords using BCrypt for enhanced security

GitHub Link : <https://github.com/ImGowtham1205/Notes.git>

E-COMMERCE

- Developed backend services using Spring Boot and secured REST APIs with JWT authentication
- Implemented user/admin roles, product management, and order processing logic
- Integrated OAuth2 login (Google & Amazon) and Razorpay payment gateway
- Designed and implemented microservices architecture using API Gateway
- Collaborated with frontend (React) for seamless API integration

FrontEnd : <https://github.com/ImGowtham1205/E-Commerce-Frontend.git>

BackEnd: <https://github.com/ImGowtham1205/E-commerce-backend-microservices.git>

HARD SKILLS

Languages: Java, C, C++, Python (Basic)

Backend: Spring Boot, Spring Security, Hibernate, JDBC, REST APIs, JWT, Microservices, WebFlux, Docker(Basic)

Databases: MySQL, MongoDB, SQL Queries

Testing: Junit ,Mockito,Api Testing(Postman)

Tools: Git, GitHub, MS Office

SOFT SKILLS

- Attention to Detail
- Team Work
- Problem Solving
- Accountability
